

## **FairShare Sprint 5 Report**

Product Name: FairShare  
Team Name: FairShare Team  
Sprint Completion Date: 6/3/19

### **Actions to STOP doing**

- Stop changing the times of our meetings.
- Stop branching from branches.
- Stop saying you're almost done.
- Stop writing style sheets on the screens itself.
- Stop webcamming, need to put more effort into wanting to meet in person more.

### **Actions to START doing**

- Start doing pull request on github.
- Start reviewing each others code, not just verbally explain what the code does.
- Start committing to your work.
- Start asking for clarification earlier rather than getting confused then asking.

### **Actions to KEEP doing**

- The team should keep updating each other on each other's progress.
- Keep meeting online if we can't make it in person, instead of canceling or postponing.
- Keep having coding sessions on sunday so that we can help each other when needed.
- Keep pushing regularly into github
- Keep updating each other on progress
- tkeep working on the most updated branch.
- keep Explaining each others code to each other.
- Keep merging branches together at end of sprint
- Keep integrating code right after we made progress.
- Keep asking when confused about something.
